

Parameter

- * 265/H.264 hardware compression, powerful AI processor, with neuronal logic reasoning engine, support for deep learning algorithms.
- * Integrated ADAS camera, can expand 1-2 AI camera input. Support DSM and environmental monitoring.
- * ADAS assist driving function—Integrated with ADAS camera, advanced auxiliary driving warning function can be realized (supporting lane departure detection and warning, front-vehicle collision detection and warning, vehicle proximity warning, etc.)
- * DMS camera driving behavior analysis—It can connect the DMS camera to give alarm warning and upload to the monitoring center for dangerous driving behaviors of drivers, including: fatigue (closing eyes, yawning), distraction, smoking, talking on the phone, etc
- * Driver face recognition function—Face recognition attendance on the basis of management can also prevent the driver illegal substitution, non-compliance of the driver operation of the problem, standardize the driver and operation management.
- * Beidou /GPS positioning, support the ministry of JT/T808, JT/T1076, JT/T905, Geely, Su Biao and other platforms to report transmission.

* ABS material

* The machine has a high reliability design, can achieve continuous monitoring in -30°C~70° environment.

Applications Suitable for Ride-Hailing car/ uber/taxi, van, etc.

Attention .

About this dashcam, you are required to install an app with **Android phone** to do configuration or settings, if you only have iPhone, you need to use a computer to install a android simulator, or we can help you to do this before delivery, feel sorry for the inconvenience caused to you.

Company Profile

Richmor 锐驰曼

Shenzhen Richmor Technology Development Co., Ltd. is leading R&D manufacturer of Vehicle CCTV System since 2008.
Richmor is developing quite fast with great teams:

- Powerful R&D team: over 30**
- Professional Tech.support: around 10**
- Strong sales team: Around 20**
- Skilled Manufacturer : Over 80**

and With Outstanding management:

Enterprise Pursuit: Build Industry Famous Brand and serve society

Mission: Technology Secure Safety. Be better Life.

Working Tenet: Strive for the best.

Service Tenet : Do the Best service for our customers.

CBD Park located in Bantian International Centre with 3,000m²
